

Weybridge Society

*Your community association
working for Weybridge*

Why Join?

We're an independent registered charity with a mission to make Weybridge a great place to be, representing all the people who live, work or study here. We monitor developments, champion improvement initiatives, and keep people informed about what's going on in the area in a variety of ways, including social media. Our website is a real mine of information about the town.

Membership is inexpensive and provides the following benefits:

- Frequent email bulletins with what's going on in the area, including events and local development proposals
- Attendance at talks on a range of local topics
- Copies of our magazine
- Being part of a community that cares about making our town a vibrant place where everyone can thrive

**Help make a difference - the more members,
the louder our voice**

It's simple to join. Just scan the QR code and follow the instructions or go to our website shown below.

See overleaf for more details of what we do.

What We Do

We listen to local people and engage with elected officials, local authorities (Surrey and Elmbridge), NHS health bodies, and other organisations, in order to increase awareness of people's concerns and aspirations.

Our activities include

- Tracking local plans, building developments and infrastructure projects, gauging their impact and presenting local views in a rational, informed way. Our goal is always to ensure a positive result for the town
- Creating and implementing a vision for Weybridge
- Encouraging and supporting more healthy forms of travel
- Organising and promoting arts and cultural events
- Reaching out to educational institutions to involve young people in the community
- Donating funds to other charities, groups or individuals whose work contributes to the achievement of the Society's objects

Many of our members have deep local knowledge as well as in specialised areas like planning, transport and health. We invite others to join our activities and get involved.

If you have ideas on how to make Weybridge a great place to thrive, or you have skills that could help us, then we'd love to hear from you! You can get in touch via our website or social media.
