Throughout their journey learners develop and showcase experience in photography, image manipulation, visual effects, graphic design, animation and video production, print and textiles, fashion, sculpture, drawing and painting, production management, 3D installation and contextual studies.

These courses are suitable for driven and independent-minded students who have a clear creative vision but who can also work collaboratively as a team when needed. ## Programme Notes

<p><b>St George's Junior School</b></p>	<p>St George's Junior School has a very busy Music department running 14 ensembles each week. Included in these ensembles are four choirs, a Key Stage 1 choir, Junior Choir for Years 3 and 4, Senior Choir and Chamber Choir for Years 5 and 6 and we are delighted the Junior Choir is able to perform today.</p> <p>The Junior Choir has enjoyed a number of performances this year, singing in school concerts and services, taking part in choral workshops with local schools and now performing here for you today. The children have enjoyed preparing a variety of repertoire for today's performance and are delighted to be able to share their enjoyment of singing with everyone this afternoon.</p>
<p><b>Manby Lodge Junior School</b></p>	<p>Children from Drama Tree will be performing the following songs that they have been learning this Summer term.</p> <ul style="list-style-type: none"> <li>• Side by Side</li> <li>• Mamma Mia</li> <li>• We're Off to See the Wizard</li> <li>• We Don't Talk About Bruno</li> </ul> <p>Drama Tree is a club attended by children range in age from 4 – 7. Childrens' confidence grow as they learn to perform to groups of their parents, and sometimes to the rest of the school.</p> <p>Manby Lodge is a three-form infant school in Weybridge situated next to the Cricket Ground. Our ethos at Manby Lodge puts children at the centre of our learning community; we look to develop the whole child and our school is one in which every person matters. We pride ourselves on the fact that we see each child as unique, with their own strengths and personality. Our dedicated team provide quality care to ensure children are happy, confident, and active learners.</p> <p>We have new buildings and fantastic outside spaces for our children and classes are brilliantly resourced. Our enriched curriculum stimulates the academic, practical, and creative potential of all of our learners, meeting their individual needs.</p> <p>All members of the Manby Lodge family are committed to being the best they can be. By providing a high-quality education where a love of learning is promoted within a safe and happy environment, we all learn more, do more and become more.</p> <p>We believe that working in partnership with parents, carers, governors and the local community is critical to ensuring our success. We encourage parents and carers to get involved in school life in whichever way suits them best, from coming in to volunteer in school or helping out on school trips, to being an active member of our PTA or taking on a Governor role.</p>
<p><b>St Charles Borromeo School</b></p>	<p>The St Charles Borromeo school Choir will be singing some Old Skool Classics to get your toes tapping!</p> <p>The St Charles Borromeo Choir is an all-inclusive group that celebrates singing popular songs and having fun together.</p> <p>We meet for half an hour each week before school to get our day started with a smile. We are really loving being back after a long time of not being able to sing together.</p> <p>The choir is made up of members from year 3 to year 6. This year, as well as singing for the Weybridge Jubilee fair, we will be taking part in The Primary schools' festival held in Dorking Halls, singing songs about being green and protecting our planet.</p> <p>We are also taking part in the Elmbridge School Choirs Festival singing songs about our world. We also love to take our singing out into the community. We sing at our church celebrations at school and we are especially busy around Christmas, singing for members of our local community.</p>

	<p>We have chosen to sing some Old Skool Classics because they are fun to sing and perhaps we can get some people to sing along with us. The 3 songs are: Elvis - Burning love, Elton John - I'm still standing, Toto – Africa</p>
<p><b>Redz Urban Dance School</b></p>	<p>We are one of the leading and most successful Urban dance schools in North Surrey. Our results speak for themselves. Our dancers are nurtured in a loving, caring and supportive environment. Not only do the children have the best street dance training in the area, they gain invaluable life skills and confidence, keeping their minds and body healthy.</p> <p>Redz are now offering an exciting opportunity to train with world class, top choreographers in the dance industry and join the redz family with a free 4 week trial for all our classes.</p> <p>For further info: Contact: Nova 07847500439 Email <a href="mailto:Redz.streetdance@gmail.com">Redz.streetdance@gmail.com</a> Fb: Nova Redz Falconer Instagram: redz_dance</p> 
<p><b>Walton &amp; Weybridge Amateur Operatic Society</b></p>	<p>WWAOS is an award winning Amateur Musical Society based at the Cecil Hepworth Playhouse, Walton on Thames, where our performances are staged and where most of our rehearsals take place. The Society was formed in 1925 and, apart from the war years, has staged productions every year and now has over 175 to its credit. We are a friendly and enthusiastic society, performing two main musical shows each year plus Music Hall and Compilation shows.</p> <p>It's not all hard work, there is a tremendous amount of fun and enjoyment and we are always looking for new members to share this with us, both on stage and as crew, lighting etc. We aim to produce good quality performances in a social and convivial atmosphere. Our main shows run Tuesday to Saturday, with a Saturday matinee.</p>
<p><b>Weybridge Salsa</b></p>	<p>Salsa is a fun and uplifting social dance which we truly believe benefits both body and soul. Its technique though seems much easier than it actually is. At Weybridge Salsa we are committed to create and nurture a salsa community, where leaders and followers are taught properly and in a professional way, without losing though the warmth and fun that this latin dance brings to the spirit. We offer group classes for all levels and abilities, private salsa classes, wedding choreographies and events</p>
<p><b>Ari Tahan</b></p>	<p>ARI who has many influences toward her music including Adele, Emelie Sandé, Ella Eyre, Joss Stone, Norah Jones, Sinead Harnett, Jojo and Dua Lipa to name a few. Her music lends itself strongly to a deep singer/songwriter feel with emotive qualities; using powerful lyrics and melodies accompanied by mesmerising harmonies. She shares her stories within each individual song she writes.</p> <p>Her music has been recognized by BBC Introducing with numerous songs being chosen as 'Track of the Week' including a performance at BBC Introducing Live Lounge and at BBC Introducing Live at Tobacco Docks.</p> <p>She worked with singer/songwriter, Judie Tzuke and producer, David P Goodes on her EP 'Closure' - Out Now on all music platforms</p>

**Elmbridge Youth Theatre**

Based in Elmbridge in Surrey, EYT was set up to bridge the gap between school and adult drama, aimed at young people between the ages of 15 and 25. The youth theatre was formed in September 1997 with Richard Davis as Director and Carole Andrew as Deputy Director & Choreographer, both had long been responsible for the outstanding productions at Rydens School. At the same time Esher Youth Theatre, which had been running very successfully for many years, was in danger of closing so its remaining members joined us bringing our opening membership up to approximately 45. We became a registered charity in 1998. EYT will be performing a small segment from our concert, "All Sorts", at Whiteley Village on 2nd July 2022. Visit [Elmbridgeyouththeatre.co.uk](http://Elmbridgeyouththeatre.co.uk) for more information.

**Martin Paul Cuthew**

Martin is a Singer/ songwriter/ multi-instrumentalist based in Surrey. A foundation of acoustic-rock vocal/guitar enriched with synths and electronic rhythms to generate gutsy pop-rock songs that have drawn comparisons with Goo Goo Dolls and Mat Kearney. Last year saw Martin's first 3 singles all released to positive reviews and international radio airplay, along with successful appearances at Fleet's Concert On The Green and The Leatherhead Food & Music Fiesta.

2022 kicked off with a January release of his eagerly anticipated fourth single, Just Believe The Truth - a perfectly packaged pop-rock nugget about navigating the highs and lows of a long-term relationship. All 4 of his singles are available on all major platforms.
